#### Special Notice.

"Soldiers of Canada," Mr. H. H. Godfrey's latest song, is pronounced by competent critics to be not only the best song yet written by this popular composer, but, one of the very finest Canadian songs ever written. The words are noble and, together with the music, alternate in fire and pathos throughout. By an ingenious arrangement of alternate notes it can be used with equal effectiveness by tenors or baritones.

**"PIANOS BY MAIL."**

Of course we do not mean "pianos SHIPPED by mail," but pianos ORDERED by mail."

We do an ever-increasing business in this manner. We furnish Catalogues post-paid, free, upon application. We quote the closest figures, and explain our terms of payment, perhaps make some suggestions re selection, all by mail—bear in mind.

The customer reads our letter, examines our catalogues, prices and terms, and writes us his or her decision as to which piano or organ is to be shipped on approbation.

Then we ship.

Now! we ask the public, that is the public who live at a distance from Toronto, to remember the following points in our business:

We place our expert knowledge (the knowledge and training of a lifetime), at the command of the buyer, and stake our honor and future business success on having the buyer satisfied.

Every instrument is guaranteed for a term of years.

We always ship subject to approval and pay return freight if not fully satisfactory.

We grant liberal terms of payment, and grant a further discount of 10% on all orders accompanied by a full cash settlement.

We afford to customers the opportunity of trying the instrument in his or her own home instead of in a crowded wareroom.

We handle the product of the following eminent makers, KNABE, GERHARD HEINTZMAN, KARN, HARDMAN, FISCHER, WHALEY-ROYCE, ESTEY, MASON & HAMLIN, and THOMAS.

The system of selling pianos and organs by mail has been successfully operated by us for years, and on that system we are constantly shipping to points everywhere between Halifax and Vancouver.

If you contemplate a purchase, we invite you to place yourself in communication with us. You may save the local agent's profit—in other words you may be your own agent.
